SAF Santee Chapter
P.O. Box 1172
Sumter, SC 29151

Meeting Theme

This joint meeting between the South Carolina divisions of the SAF and TWS will focus on the impact and control of non-native plant and animal species in South Carolina. It will feature a number of experts from state and federal agencies as well as several universities. In addition to providing great educational content, the meeting will also provide an opportunity for SAF and TWS members to network. This one day meeting will be held in the River Center conference facility at beautiful Saluda Shoals Park in Columbia.
